

Exclusive Coverage for NFHS Professional Association Members

As a currently registered member of an NFHS Professional Association you receive many benefits of membership, one of which is a package of insurance coverages.

For those associations who wish to purchase a higher limit of Accident Insurance, along with a lower deductible, Bollinger has developed this Supplemental Accident Insurance Program for NFHS member associations.

This program is only available to currently registered members of the following NFHS Professional Associations:

*No Accident Insurance is provided to members of the NIAAA. However, NIAAA member associations are eligible to purchase this supplemental coverage if they would like to offer this additional benefit.

This brochure is a summary of the coverages provided and is not meant as a complete description of the coverages, limits, terms and conditions of the policy. For complete details, please see the actual policy available for viewing at the NFHS National Office, Indianapolis, In.
